

## COOLAIR 14 Portable Air Conditioning

The CoolAir 14 is a very popular portable exhaust tube air conditioner. Small and compact, the CoolAir 14 has a smart and modern look to it – and it's easy to install and use too.

It might be small, but the CoolAir 14 produces a very powerful 4.1kW (14000 BTU) of portable air-conditioning. And it also has a fully automatic thermostat and a remote control included as standard.
