Cross Hire Services

Heating & Cooling

The perfect choice if you need to dry new buildings or after prolonged periods of disuse. Not only that, but it's an excellent option for building site use – especially if drying or dehumidifying after flooding or fire damage.

A Sonoran dehumidifier is functional and comes with its own support frame, which lets you position it for the best possible drying efficiency.

Features:

- Humidistat
- Hour Counter
- Dual Voltage
- Condensate Pump

Specification Overview
